Mayor Perry Bell gave an update on the roofing problems with a quote of \$12,000 to replace all of the screws and \$2500.00 to replace the leaking screws. An email with the estimate will be sent to all the Councilmembers.

Jimmy Nichols provided the Water Department updates with the city having 4 leaks. One was a main leak while the other were all at the meters. Jimmy also suggested that we cut one more limb off the tree at the shop. Jimmy continued with discussing the probability of looking for a new site to drill another well to prevent drawing from Cartersville. Mayor Perry Bell spoke on the discussion of the EPA with the PFOS levels. The mayor explained that the EPA would fund for filtering for 5 years and then the funding would be on the City. Mayor Perry Bell advised that the engineer was looking for new spots. Mayor Perry Bell gave information on the 5 wells that we currently have, with letting everyone know that we were only using 1, 4, and 5.

Lamar Holcomb gave an update on the Police Department with stating that everything was pretty quiet except for the one burglary of the Dollar General being robbed.

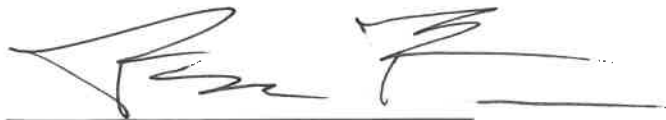

Curtis Powell gave an update on the Planning and Development asking that we make an account with the DOAA. Request was granted. Curtis also discussed the GDOT, District 6 funding \$9,761.29. Curtis stated there wasn't many options that we had for this other than the use for fading stop signs, etc. Curtis requested that he like to have the Laniers map blown up for all to be able to see it.

Mayor Perry Bell gave the update on Payables and Receivables that Robin had been helping after hours and that the totals look good. They aren't where they should be but are looking good.

City Attorney Leslie Simmons discussed going through the process to change or adopt some of the ordinances that needed attention.

Public comments were with Eddie B referring to Richards Rd. turning into a racetrack. Lamar Holcomb explained due to lack of footage to radar, the only option is to sit and be visible so that the word gets out that the road is being watched by law enforcement. Eddie also expressed the concerns with the tractor trailers tearing up the road due to the weight overlimit.

Motion made by Mayor Bell to adjourn the meeting, seconded by Councilmember Nichelson. Meeting adjourned at 8:30 p.m.
