REC #	BRIEF DESCRIPTION OF RECOMMENDATION	DATE/RESPONSE
-------	-------------------------------------	---------------

NEW RECOMMENDATIONS:

**General
2019-5-1**

To protect the city from liability claims, Richards Road should remain closed until the road is brought up to safe road standards. This would include the drainage system improvement required to protect the road from what is currently happening to it.

NOTE: These recommendations are advisory and limited to the items mentioned herein. Compliance with these suggestions does not imply that your workplace, operation, or equipment are safe or healthful or in compliance with any safety health law or regulation.
